Special Instructions:.....
Any additives?VA/alcohol removed?.....

Please note that although systems are in place to ensure accurate results, the laboratory is not liable for any loss or damages suffered which could directly or indirectly be linked to our services. All test results will be treated as confidential and will not be reported to 3rd parties unless requested by the customer in writing. The Laboratory is a testing facility only and do not provide the service of assessing conformity or expressing opinions regarding the product of the customer. Results are per sample received. Metals, DO, enzymatic tests, pesticide and micro-tests are subcontracted.
